Creative Arts Term 1 Overview 2016

Kindergarten - Visual Arts with Mrs Zakaras

This term in Visual Arts students will create simple, abstract pictures and other kinds of artworks inspired by different artists. They will experiment with a range of media in selected forms. Students will begin to learn about how artists make artworks and they will have the opportunity to communicate their ideas about these artworks.

Stage One - Visual Arts with Mrs Zakaras

This term in Visual Arts students will create artworks that are abstract and use vivid, bold colours. Students will be exposed to different artists, learn about who they are and what they make and create their own artworks inspired by these artists. There will be opportunities to interpret the meaning of artworks and acknowledge the role of the artist and the audience.

Stage Two - Visual Arts with Mrs Zakaras

This term in Visual Arts students will learn about different artists and create artworks that incorporate these artists particular styles. Students will study how and why artists make artworks for different reasons and that various interpretations are possible. There will be opportunities to make connections between subject matter in artworks and what they refer to, and to appreciate the use of particular techniques.

Stage Three - Visual Arts with Mrs Zakaras

This term in Visual Arts students will be investigating with colouring effects to create depth and illusions. Students will create artworks for different audiences and use a variety of techniques to create artworks. Students will have the opportunity to acknowledge that audiences respond in different ways to art and that there are different opinions about the value of artworks.
