5 February 2016

Mark McDonald
Principal

Yours faithfully,

example of authentic partnerships in education.

I thank you for your support in what has proven to be a very worthwhile process and indeed in

Please use the following link to access the site and make your booking.

We will be using an online booking system as we did for our semester two conferences last year.

Keeping in mind that we are only setting three (3) goals. At this meeting you will also be provided
preparation for this meeting please reflect on specific areas of need. You can identify in your child
feedback from the school report and the team meetings conducted at the beginning of the year. In
will incorporate feedback from the parent as well. For kindergarten students this meeting
will meet with class teachers to set goals for semester one. For kinder students this will be

During week one of this Term Short conferences will be held where all students and their parents

goals which will be used as the basis for developing goals for semester one.

goals for their children as well. Students are working with their teachers to set some preliminary
education and partnerships between the school and the home parents need to have a voice in setting

This year we are continuing to include parents in the early stages of setting goals. As we see

can be achieved at school.

Students and teachers are encouraged to identify areas of need and to work towards achieving some

There is a whole bank of evidence which proves that this process has many benefits for education.

Goal setting has been a part of the learning process at St Francis Xavier for a few years now and
